- like the font, same throughout

- needs to be pictures

Peer Review 2

Reviewer's

I like the picture of the broken bottle, it represents your band name

Better website template.

Peer Review 3

Reviewer's Name _____ Lewis Hooper

The album cover looks really good and the quality of the picture is good. The font is also good.

Better web page layout will make it better, and some text on the album cover.

What is my response?

I need to add more pictures into the website and complete CD cover. Finish off website so it is more aesthetically pleasing to look at.
