

Date	Task	Report
5th October 2010	We will do are preliminary task. 180 degree rule.	We completed this rather quickly and did it to a good standard.
8th October 2010	Theory lesson with Mr Seel. (exam preparation)	The lesson was rather slow however i gained knowledge that i didn't have before.
12th October 2010	Edit Preliminary task and will start to brain storm ideas for are film.	This gave us a first look at imovie. we also managed to get some good ideas for are film.
15th October 2010	Exam prep	We learnt in a lot more detail this week however it was confusing at stages.
19th October 2010	we will continue with the brain storming whilst researching other thrillers to improve are knowledge of the genre.	the research went very well as we realised how much you can include in a thriller.
22nd October 2010	Exam prep	i managed to understand the things i was confused with the week previous.
2nd November 2010	we will start to write are synopsis.	i managed to get a lot done in this lesson. my synopsis is taking shape and it was done in good time too.
5th November 2010	Exam prep	Mr Seel went into more detail and told us how the exam will be set out.
9th November 2010	We shall decide who does what in are group. research etc.	this was not easy as we argued over jobs but once this was settled things ran smoothly.
12th November 2010	Exam prep	We were tested on what we learnt the previous week.

Date	Task	Report
16th November 2010	After are research is complete we will review it and decide on a final idea.	this took time as we all came up with good ideas. it was hard to chose but we all were happy with are choice.
19th November 2010	Exam prep	We were given a research task to do on Music companies.
23rd November 2010	we will complete our synopsis which will include are final idea and characters. After this we shall decide on the roles (actor's and camera man).	this went well as it was more or less completed before i started it.
26th November 2010	Exam prep Mr Seel	before the lesson i was struggling with understanding but i soon understood after Mr Seel sat down and explained it to me.
30th November 2010	Exam prep Mr Butcher. After the preparation we shall start are storyboards.	At first i struggled because i had to remember the camera techniques but i feel in a few weeks i will be a lot better.
3rd December 2010	Exam prep Mr Seel	We revised what we didn't know.
7th December 2010	Exam prep Mr Butcher.	We carried on watching the movie clips.
10th December 2010	Exam prep Mr Seel	Revising
14th December 2010	Exam prep Mr Butcher	i feel more confident with this exam prep.
4th January 2011	Exam prep Mr Butcher.	after revising in the holidays i am all set for the exam.
7th January 2011	Exam prep Mr Seel.	more revising
11th January 2011	Exam prep Mr Butcher.	revising continued still and i found it easier.

Date	Task	Report
14th January 2011	Mr Seel theory	Mr Seel basically told us what to add to are project. This however dragged on and most of the lesson was over before we could make these changes.
18th January 2011	adding and improving are storyboards.	The story boards are looking good, they only require shading now.
21st January 2011	Mr Seel theory	Mr Seel was critical of are story boards but was also praising.
25th January 2011	We will go out to find suitable locations for our film.	this went well, we found alot of locations that we think would be good for are film.
28th January 2011	Mr Seel theory	Mr seel sat down with us and talked about improving are film. he also mentioned film noire.
1st February 2011	We will start film for the 1st time.	This went well but was a slow process as it was are first real time filming.
4th February 2011	We will go and film	We completed the days filming rather quickly and was soon thinking about the editing.
8th February 2011	We will go and film	The filming was a lot tougher as we didn't know which location was best so in the end we went with are gut feeling.
11th February 2011	We will edit what we have done so far.	Mr Seel gave us a hard time with are film and told us how it would be better. because if this we have realised that we need to rethink are film.

Date	Task	Report
15th February 2011	After trying to to edit and receiving feedback from Mr Seel we are going to change are idea and redo are story boards today.	It took us a while but we have now decided on a new idea one that we feel will be alot better.
18th February 2011	Go out and film	As we planned better this time we did the filming quickly.
1st March 2011	Go out and film	We added more to are film and redone the bad ones from before.
4th March 2011	Go out and Film	We tried to use different camera types which worked well.
8th March 2011	Go out and film	after seeing the results of last time we wanted to redo some of the scenes.
11th March 2011	Go out and film	We continued filming.
15th March 2011	Go out and film	we continued filming.
18th March 2011	We will redo are synopsis and then start to edit are film.	the synopsis took time but i think i have done it to a good standard.
22nd March 2011	Continue are portfolio	i had to add to my portfolio so that it is ready for the deadline.
25th March 2011	we will still try and carry on with are portfolio for the deadline.	I carried on with the work i done last lesson.
29th March 2011	we are going to continue with are portfolio	im still working on my portfolio.
1st April 2011	We will be having a lesson on institutions by Mr Seel to help us with are portfolio.	this helped me a lot with my portfolio work.
5th April 2011	whilst adding to are portfolio we are going to edit some more of are film.	we managed to edit are film completely and are now almost ready to hand it in.

Date	Task	Report
8th April 2011	Hand in work.	i handed in my work which includes my film and portfolio.
