

## REMINDER of First News Resource.

If you haven't yet done so - please look at this resource:

As well as for PD it has many links to other subject areas.

1. We have 6 hard copies of the newspaper each week - the most recent of these are available from Sarah Tenniswood in the library.

Older copies from LSe.

2. A pdf version of the newspaper is saved in staff shared each week:

[Staff Shared/ Faculty areas/ Personal Development/ First News.](#)

3. Lots of related resources - can be found by logging on as follows.

<http://www.firstnews.co.uk/teachers/login>

[lynettes@thegrangeschool.net](mailto:lynettes@thegrangeschool.net)

**Password: make up**

Then click on **RESOURCES** - here you will find:

- **This weeks activities** e.g. Weekly Challenge, **Headlines in French**, **Pictures in the News - NEW weekly resource** - very good for PD or Tutor, quizzes etc
- **Teaching Ideas** e.g. Activity worksheet for 'Investigating and Understanding News Stories', Analysing Headlines activity, 'Top Tips for Writing a Newspaper Article' poster. First News Fact sheet: Osama bin Laden, Sky Hawk Teaching Resources, 'Who's who in the Royal family, nPower: 'What's Your Goal?' lesson plans and resources, The News in Numbers, various competitions etc.

## YEAR 7-9 TUTORS - Sports Week

For your Personal Development Lesson During Sports week I would like you to **use this resource** to design a lesson for your tutor group (Year 7-9 Tutors).

You could;

- Print off various sports stories and base a lesson around this e.g. how sport is portrayed in the media.
- Use some of the activities in the [nPower: 'What's Your Goal?' lesson plans and resources](#) that can be found under Teaching Ideas.

- Use the past hard copies of the paper and get students to search for sports related stories and then use the [Activity worksheet for 'Investigating and Understanding News Stories'](#).

Pease could you email me with your lesson plan BEFORE Sports week so I have an idea of the activities going on. Also - it would be good to share any ideas/power points you produce with others.

Thanks LSe
